“COLOR MAKES A STATEMENT IN A ROOM. I LOVE THE IMPACT IT HAS, THE WOW FACTOR.” —KELLEY PROXMIRE

Horizontally striped blue-and-white draperies in a silk blend from Dedar inspired the living room of a stately Georgian home decorated by Kelley Proxmire of Kelley Interior Design. “I wanted something classic yet dramatic,” she explains. “The contrast between colors really made them pop.” Against a backdrop of cream-colored walls and white upholstery, she introduced fresh green accents in the form of throw pillows, lampshades and accessories. A gold sunburst mirror and artwork from Hollis & Knight complete the look. PHOTOS © ANGE SECKINGER
